OVERVIEW OF THE USDA CHILD NUTRITION PROGRAMS

The USDA’s Food and Nutrition Service (FNS) administers several programs that provide healthy food to children every school day. These programs include the National School Lunch Program (NSLP), School Breakfast Program (SBP), Afterschool Snack Service, Fresh Fruit and Vegetable Program (FFVP), Food Distribution Program (FDP), Special Milk Program (SMP), Summer Food Service Program (SFSP) and the Child and Adult Food Program (CACFP). SAs around the country administer each Program to participating Institutions to help create healthy environments, and fight hunger and obesity by reimbursing Institutions for providing healthy meals to children.

The Healthy, Hunger-Free Kids Act of 2010 directed USDA to update the SBP, NSLP, and CACFP meal patterns and nutrition standards based on the latest Dietary Guidelines for Americans. Institutions are responsible for implementing any and all revisions to the Federal regulations, as necessary. All Institutions must meet Federal meal requirements, though decisions about which specific foods to serve and how they are prepared and distributed are made by the local Institution.

The SA agrees, to the extent of funds available, to reimburse the Institution for the programs it operates, as designated below, in accordance with applicable regulations governing such Programs: National School Lunch Program and Afterschool Snack Service (7 CFR Part 210), School Breakfast Program (7 CFR Part 220), Fresh Fruit and Vegetable Program (Section 4304 of Public Law 110-234), Summer Food Service Program (7 CFR Part 225), Child and Adult Care Food Program (7 CFR Part 226), Food Distribution Programs (7 CFR Part 250), Determining Eligibility for Free and Reduced Price Meals (7 CFR Part 245), and under the Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards (2 CFR Part 200), as applicable, any amendments thereto. The SA agrees to make payments where applicable, in accordance with 7 CFR Part 240 (Cash in Lieu of Donated Foods), and any amendments thereto and/or to donate foods in accordance with Donation of Foods for Use in the United States, its territories, and Possessions and Areas under its Jurisdiction Regulations 7 CFR Part 250.

The Institution agrees to accept federal funds and/or donated foods in accordance with applicable regulations and any amendments thereto. The Institution, and participating schools under its jurisdiction agrees to comply with all provisions thereof, and with any instructions or procedures issued in connection therewith. The Institution further agrees to comply with applicable Program regulations and any amendments thereto, and to comply with all the provisions thereof, and with all D.C. statutes, administrative rules, policy manuals, memorandums, guidance, and instructions and any instruction or procedures issued by the USDA or the SA in connection therewith. The Institution further agrees to administer the Programs funded under this Agreement in accordance with provisions of 2 CFR Part 200 Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards, as applicable.

This agreement shall be effective in commencing on the date specified unless terminated earlier as provided herein. The SA may continue this Agreement each year thereafter, by notice in writing given to the Institution as soon as possible, after funds have been appropriated by Congress for carrying out any of the purposes of the National School Lunch Act and of the Child Nutrition Act of 1966 and other applicable legislation during each year. Continuation of the Agreement, however, shall be contingent on an acknowledgement by the Institution, in writing, of its intention to continue program participation in accordance with the provisions set forth in this agreement. The Institution shall notify the SA whenever significant changes in program regulation or changes to existing policies occur in the operation of the Program(s).

REQUIREMENTS FOR SFA PARTICIPATION NSLP AFTERSCHOOL SNACK SERVICE

The NSLP offers cash reimbursement to help schools serve snacks to children in after-school activities aimed at promoting the health and wellbeing of children and youth in our communities. An afterschool care program must (1) primarily provide care for children after school; (2) must provide children with regularly scheduled activities in an organized, structured and supervised environment, and include educational or enrichment activities such as mentoring or tutoring programs, that are distinct from any extracurricular programs organized primarily for scholastic, cultural, or athletic purposes.. Organized interscholastic programs or community-level competitive sports are not eligible to participate. The programs must meet state or local licensing requirements, if any, and state or local health and safety standards. All programs that meet the eligibility requirements that participate in NSLP may receive USDA reimbursement for after school snacks.

1. In order to be reimbursed, the snacks must contain at least two different components of the following four: a serving of fluid milk; a serving of meat or meat alternate; a serving of vegetable(s) or fruit(s) or full-strength vegetable or fruit juice; a serving of whole grain or enriched bread (or an equivalent serving of a bread product) or a serving of cooked whole-grain or enriched pasta or noodle products.
2. SFAs must review each afterschool care program two times a year; the first review shall be made during the first four weeks that the school is in operation each school year, except that an afterschool care program operating year round shall be reviewed during the first four weeks of its initial year of operation, once more during its first year of operation, and twice each school year thereafter.
3. An after-school care program site is considered area eligible if it is located at a school or in the attendance area of a school where at least 50 percent of the enrolled children are eligible for free or reduced price meals. For example, if a high school with less than 50 percent free or reduced price school enrollment is located in the attendance area of a middle school that has 50 percent or more of the enrolled children eligible for free or reduced price meals, then the afterschool care program located in the high school would be area eligible.
4. Snacks served in afterschool care programs that are area eligible will be reimbursed at the free rate, regardless of an individual student's eligibility for free or reduced-price lunches. Snacks served in afterschool care programs that are not area eligible will be reimbursed at the free, reduced-price or paid rate depending on each individual's eligibility for free or reduced-price meals based on meal benefit applications. SFAs can claim no more than one snack per child per day. Reimbursement rates are announced each year in July by USDA.

REQUIREMENTS FOR SFA PARTICIPATION IN THE FRESH FRUIT AND VEGETABLE PROGRAM (FFVP)

3. To provide funds to sites specified in the FFVP Agreement under the SFA's jurisdiction for the service of approved fresh fruits and vegetables in accordance with local, State, and Federal regulations and requirements.

REQUIREMENTS FOR SFA PARTICIPATION IN FOOD DISTRIBUTION PROGRAM

Each year as part of the Food Distribution Program, USDA allocates entitlement funds to the SA for the District of Columbia administering the NSLP. These funds are intended to help offset the cost of serving NSLP compliant breakfasts, lunches and afterschool snacks to school children by providing quality food which an SFA would otherwise have to pay for as part of its nonprofit school food service.

This annual USDA Planned Assistance Level (PAL), often referred to as Entitlement, is made available to eligible RA or SFA for purchasing USDA Foods. The entitlement is based on the number of lunches claimed in the NSLP between July 1 and June 30 of the previous school year. SFA's are normally not eligible for the Food Distribution Program during their first year participating in the NSLP.

THE RECIPIENT AGENCY, HEREBY AGREES TO THE FOLLOWING TERMS AND CONDITIONS:

1. USDA donated foods, sometimes referred to as commodities, hereinafter referred to as USDA Foods for the purpose of this agreement means all USDA donated foods regardless of pack size, whether processed or not, and any fresh produce ordered with entitlement funds through the DoD Fresh Fruit and Vegetable Program (DoD FFVP). As such, USDA Foods will be requested and accepted only in such quantities as can be utilized in qualified meal service without waste and within the limits specified by the SA and/or stored for future use in amounts which can be utilized within a six-month period. Each RA will be responsible for controlling its own inventory.
2. USDA Foods received under this agreement will be used solely for the benefit of those persons deemed eligible under the program(s) indicated above. Under no circumstance may USDA Foods be sold, traded, exchanged, or otherwise disposed of without prior written approval by the SA.
3. Normal food expenditures will not be reduced because of the receipt of USDA Foods, except that this provision shall not apply to the distribution of USDA Foods under Section 6 of the National School Lunch Act. The SA may request in writing periodic proof that food expenditures are not being reduced because of the receipt of these USDA Foods.

4. Facilities for proper storage of all USDA Foods requested and accepted will be provided by the RA in accordance for 7 CFR 250.14. Facilities shall safeguard against theft, spoilage, and other loss. The USDA Food must be used in a First-In-First-Out manner. All USDA Foods should be stored on the premises of the RA. Whenever other storage is needed, a commercial warehouse, distributor, or other SA approved facility should be used. The RA must maintain records at all times showing quantities of USDA Foods (lot number, contract numbers, etc.) stored off premises. The SA must be notified in writing as to the location of all USDA Foods stored off premises so that at all times the SA's records and the RA's records will show where USDA Foods are being stored. The RA is held responsible for any loss resulting from negligence due to the acceptance of USDA Foods in greater quantities than can be efficiently utilized or from improper use, storage, care, or handling. The RA may be asked to replace any such loss of USDA Foods or to pay the SA the value of the USDA Food loss as determined by the SA.
5. The RA agrees to furnish, at all times, sufficient competent help and proper transportation, regardless of the size of the RA, to ensure prompt pick-up of USDA Foods at the time and place specified for distribution. The RA agrees to assume full responsibility for removal of USDA Foods at the distribution site, and further agrees that no claim of any kind will be made against the SA or USDA for any personal injury received during the removal of such USDA Foods. Each RA is required to appear at the distribution site at the time specified or it may not be possible for the RA to receive its distribution. Failure to appear also may hamper future participation under this program.
6. The RA receiving USDA Foods shall not discriminate against any child because of their inability to pay the full price of the meal.
7. Funds accruing from the sale of containers in which USDA Foods are received will be used solely for program purposes.
8. Records pertaining to the receipt and utilization of USDA Foods will be kept for a period of five years, from the close of the Federal fiscal year to which they pertain, or longer if related to an audit or investigation in progress. Reports will be furnished to the SA as required. As a minimum, the records will contain:
 - a. Records showing receipt of all USDA Foods.
 - b. A perpetual storeroom inventory showing receipts, issues, contract numbers, and dates supporting these transactions; a separate record will be maintained for USDA Foods whether stored on or off the premises.
 - c. Daily tabulation of meals served under this program, showing separate entries for:

- d. A record showing an actual monthly physical inventory of USDA Foods on hand.
 - e. An accounting of all funds derived from the sale of empty USDA Foods containers.
 - f. Schools will keep daily records of meals served to children as per program requirements.
- 9. Representatives of the USDA and the SA may inspect USDA Foods in storage on school premises, or the facilities used in the handling or storage of such USDA Foods, and may inspect and audit all records, including financial records pertaining to foodservice in general, including financial records and reports pertaining to the USDA Foods, and may review or audit the procedures and methods used in carrying out the requirements of this agreement. Failure to maintain the required records may result in suspension and/or termination of this agreement immediately or enforce a period of suspensions upon the RA when there is evidence of failure to comply with terms of the agreement. The suspension shall remain in effect until satisfactory determination has been made. Further evidence of failure to comply with any or all of the terms of this agreement may result in permanent suspension from the program. Subject to such notice of termination or cancellation of the agreement, the RA agrees to comply with the instructions of the SA either (a) to utilize, without waste, all remaining inventories of USDA Foods in accordance with the provisions of this agreement or (b) to return such USDA Foods to the SA to record final disposition of such USDA Food inventories. All records pertaining to the USDA Foods program shall be retained for period of not less than five years from the actual date of termination of the agreement. During this time, the RA is subject to audit by the representatives of USDA and the SA. Either Agency may terminate this agreement by giving a 30 day notice in writing to the other party.
- 10. The RA agrees to keep all personnel handling the program (the one who signed the agreement, the person or persons authorized to sign offers and receipts for USDA Foods, and the person or persons handling the food service) adequately informed of the rules and regulations governing the program by making available to these persons a copy of the approved agreement in addition to all letters and circulars pertinent to the operation of the program. The RA further agrees to notify the SA of any changes in the personnel handling the program.
- 11. The RA agrees to inform the SA of any proposed changes in the type of management of the food service. If the services of a FSMC are to be employed, the SA must be notified at once and furnished a copy of the proposed contract so that eligibility or continuance in the program can be determined.
- 12. No USDA Foods will be received from any other source, except when prior approval has been received by the RA from the SA.

The RA certifies that the instructions meet the above eligibility criteria, and will provide a detailed description of the rehabilitative activities to the SA upon request.

- 16.** Transfer of Title does not occur until the USDA Food is received and accepted by the RA on its premises or one of its contracted storage/distribution locations. This only allows the RA to utilize the USDA Foods for its intended program purposes. If the Transfer of Title has occurred the RA is not authorized to sell, trade, give away, or otherwise dispose of the USDA food without written approval from the SA.
- 17.** RAs who have any meals prepared on site by a FSMC or have any meals prepared and delivered by a FSMC, food vendor or other authorized meal provider may elect to turn over some or all of its USDA Foods to the entity solely for use in the preparation of eligible meals as determined by the regulations of the applicable Food Distribution Program or Child Nutrition Program (NSLP, CACFP, SFSP) provided that all of the below conditions are met:

CACFP sponsors may claim reimbursement for a maximum of either two meals and one snack or two snacks and one meal per participant per day. Meals claimed for reimbursement must meet the CACFP meal pattern requirements and must be served to enrolled participants in approved settings.

In order to carry out the purpose of Section 17 of the National School Lunch Act, as amended, and the Regulations governing the CACFP issued there under 7 CFR Part 226 (current regulations made be found at: <http://www.fns.usda.gov/cnd/Care/Regs-Policy/policy.htm>), the SA and the Institution, whose name and address appear above, agree as follows:

Institutions operating adult care centers shall not claim reimbursement for meals under the CACFP which are also claimed under Title III.

The SA and the Institution mutually agree to comply with and meet all responsibilities and all policies, instructions, and procedures established by the SA in accordance with the CACFP regulations. That representatives of the Department and/or the Office of the Inspector General may make announced or unannounced reviews of their operations during the institution's normal hours of child or adult care operations, and that anyone making such reviews must show photo identification that demonstrates that they are employees of one of these entities.
